UNDEFEATED!

Ever feel like in order to be a Christian and have fun doing extreme activities you have to live 2 separate lives because *Good Christians* don't do those sort of things?

Well, grab your Red Bull®, Monster®, or NOS® and join us as we dispel that myth!

Come join us as we spend a week getting extreme. Our little band of outdoor adventurers will spend time enjoying the not-so-tame part of God's creation learning to draw on each others friendship and on the strength of the Lord as we face the challenges of backpacking 3 days along the Appalachian Trail, rafting over Nantahala Falls, and swinging 40' in the air from a rope all while learning to

trust in the Lord and become Undeclared!

If you're not sure about all this *Christ and God stuff*, but

want to have some fun this summer then please join us—we don't require you to be a Christian or even attend a church to go with us. We still promise that you'll have the time of your life!

Those who trust in the Lord are as secure as Mount Zion; they will not be defeated but will endure forever.

Psalm 125:1 (NLT)

During this week you will have the opportunity to draw closer to God by

experiencing His creation like you probably never have before. You'll be challenged along the way to trust in the Lord as

not everything that you experience will be comfortable. But hey, that's part of the fun. In the end though, you'll learn how you can go through life Undeclared living on the extreme edge as a Christian.
